100% plant-based CATERING OPTIONS

SERVICE OPTIONS

The following options represent the service style available for your event. A-la-carte and pre-ordered meals works best for groups of 50 or less, while buffet or family-style service works best for groups over 50 guests. Inquire about custom or off-menu menu items.

A-LA-CARTE

Only available for groups up to 25 guests

This option gives your guests the ability to select their meal at the time of the event. There is no guess work and planning on your end, but because of this, we can only offer this choice to groups of 25 maximum.

BUFFET

Ideal for larger/ casual functions

This option allows you to choose your favourite dishes that you want to share with your group. There is less planning involved in getting everyone's individual orders. Allergens can be clearly labelled on the tent cards at the buffet for any guests with allergy concerns/ dietary preferences.

PRE-ORDER MEALS

Requires seating maps

This option works best for more formal occasions, where seating maps are provided to the venue in advance, so that we know who is receiving which dish. We require a complete list of plates and seating plan at least 1 week prior to the event. Dinners are served staggered in 5-8 minute intervals per 6-8 guests (pizza is not available for this option).
